

CODAR Ocean Sensors, Ltd.

Spring 2005 Session - HF Radar Training Course

DRIVING DIRECTIONS:

Driving directions from Airports to Coast Santa Cruz Hotel are posted at:
<http://www.coasthotels.com/home/sites/santacruz/map.cfm>

Driving directions to the Seymour Center at Long Marine Lab from The Coast Santa Cruz Hotel:

- 1. Start out going SOUTH on W CLIFF DR toward BAY ST. (<0.1 miles)**
- 2. Turn RIGHT onto BAY ST. (0.2 miles)**
- 3. Turn LEFT onto LAGUNA ST. (0.1 miles)**
- 4. LAGUNA ST becomes DELAWARE AVE. (1.8 miles)**
- 5. Turn RIGHT onto SHAFFER RD. (<0.1 miles)**
- 6. End at 100 Shaffer Rd, Santa Cruz, CA 95060-5730 US . Total driving distance is about 2.3 miles, and should take about 7 minutes.**

OR, travel north on West Cliff Drive (past lighthouse) along coast until approaching Natural Bridges State Beach. Turn right onto Swift Street, and then left onto Delaware Avenue. Follow Delaware Avenue to the Long Marine Lab entrance at the end of the road. The driving distance and time is just a bit longer than first route option, but is far more scenic!
